

Community Outreach/Care Management Worker (bilingual Polish)

*Do you believe everyone should have good health care?
Do you enjoy helping people find the resources they need?
Do you enjoy meeting new people and working with diverse populations?
Are you outgoing and enthusiastic?*

The Community Outreach/Care Management role at CommunityHealth is a unique opportunity to apply your skills to helping ensure quality health care for all... while working in a flexible, friendly, multicultural environment where everyone is passionate about the same goal.

The Opportunity

CommunityHealth seeks to hire a full-time, bilingual (Polish) Community Outreach/Care Management Worker. Under the supervision of the Health Education Manager, the Community Outreach/Care Management Worker will assist and support patients and community members with accessing and utilizing resources, information, and education on various health topics. This position also serves as a support member for care management services in the areas of specialty care and diagnostic testing with some reporting responsibilities to the Care Coordination Manager.

Responsibilities

- Participate in community outreach and education at local schools and community organizations to increase awareness of CommunityHealth programs and services and to promote healthy lifestyles.
- Lead educational workshops as needed in Polish and English.
- Provide patients information and support in connecting to resources.
- Assist with scheduling, planning, and implementing health education events and classes.
- Attend training and learning related to job position and duties.
- Coordinate and schedule specialty appointments for patients.
- Conduct smoking cessation programs.
- Conduct simple onsite diagnostic testing including diabetic retinal imaging and spirometry.

Qualifications

- Fluency in English and Polish (both oral and written) is required.
- 1 year of work in a community or health care setting preferred.
- A close understanding of the community being served.
- Ability to travel to community events.
- Lived experience navigating barriers to accessing health care services.
- Flexible disposition and growth mindset.
- Must be willing and able to commit to a flexible schedule; position requires variable evening and Saturday hours.
- Ability to walk or stand for extended periods of time.
- Excellent communication skills.

- Enthusiastic self-starter who can work well both independently and in teams.
- Commitment to CommunityHealth mission, model of service delivery, and core values.
- LIFE EXPERIENCE: We know that many of your most character-building experiences do not show up neatly on a resume. Please use a cover letter to tell us why you would be a good fit for this job, focusing especially on those qualifications that do not appear on your resume.

Compensation

- The starting salary range for this position is \$18-21 per hour.
- CommunityHealth values wellness and work/life balance for our employees. To that end, we offer a wide range of benefits for employees, such as a hybrid in-person/remote work schedules, health insurance, retirement savings, a variety of opportunities for paid time off, and more.
